Case No. 3:24-cv-00427-MMD-CLB

**ORDER GRANTING STIPULATION TO
POSTPONE NEW SUBMISSION OF
DISCOVERY PLAN UNTIL AFTER
AMENDED COMPLAINT**

21 Defendant Board of Regents of the Nevada System of Higher Education on behalf
22 of the University of Nevada, Reno ("UNR") and Plaintiff Feifei Fan, pursuant to Local Rule
23 6-1, jointly request the Court to postpone their deadline to submit an updated discovery
24 plan and scheduling order under ECF No. 66 from July 8, 2025 until 30 days after Fan
25 has filed an amended complaint. This is the first time the Parties have requested an
26 extension of the time to file the discovery plan and scheduling order.

27 On June 6, 2025, the Court granted a stay of discovery of this case pending the
28 resolution of UNR's Motion for Summary Judgment. [ECF No. 66] The Court further
ordered that "if this case survives, the parties shall, within fourteen (14) days of the ruling
on the motion for summary judgment, file an updated Discovery Plan and Scheduling

Order.” On June 24, 2025, the District Court denied UNR’s Motion for Summary Judgment on the basis that Fan appeared to make new arguments outside the scope of the Complaint’s allegations and should be given an opportunity to amend the Complaint within 45 days. [ECF No. 67] Under the Court’s prior order, the new Discovery Plan and Scheduling Order would be due on July 8, 2025.

The Parties ask that the deadline to submit a new Discovery Plan and Scheduling Order be amended to 30 days from the date that Fan files an amended complaint in this case. Good cause exists because the Parties will not know the scope of the dispute and discovery until after Fan files an amended complaint.
